Parking Plan

GENERAL PARKING

It is recommended that general participants exit Interstate 15 at Rancho California Road east towards Ynez Road. Turn left (north) onto Ynez Road, Right (east) on Overland and Left (north) on Promenade Way towards the parking structures. **THIS IS THE ONLY ENTRANCE TO GENERAL PARKING - ALL OTHER ENTRANCES WILL BE CLOSED.** All parking on the east and south sides of the mall is General Parking. Once parked please proceed to the event area by entering the mall through any entrance. Once inside the mall there will be guides to direct you to the expo area.

SURVIVOR PARKING

It is recommended that Survivors exit Interstate 15 at Winchester Road east towards Ynez Rd. Continue straight past Ynez Rd. and turn right into the driveway just past TGI Friday. **THIS IS THE ONLY ENTRANCE TO THIS PARKING LOT.** You **MUST** have your Survivor parking pass to gain entrance to this lot. Your parking permit will be attached to your race bib, so please plan to pick this up at Pre-Registration Saturday October 8 - Saturday, October 15, 2011 the Macy's Women's store. Hours of operation vary by day; please go to <http://www.komenie.org/komen-race-for-the-cure/race-information/> to find out specific hours for t-shirt/bib pick-up.

HANDICAP PARKING

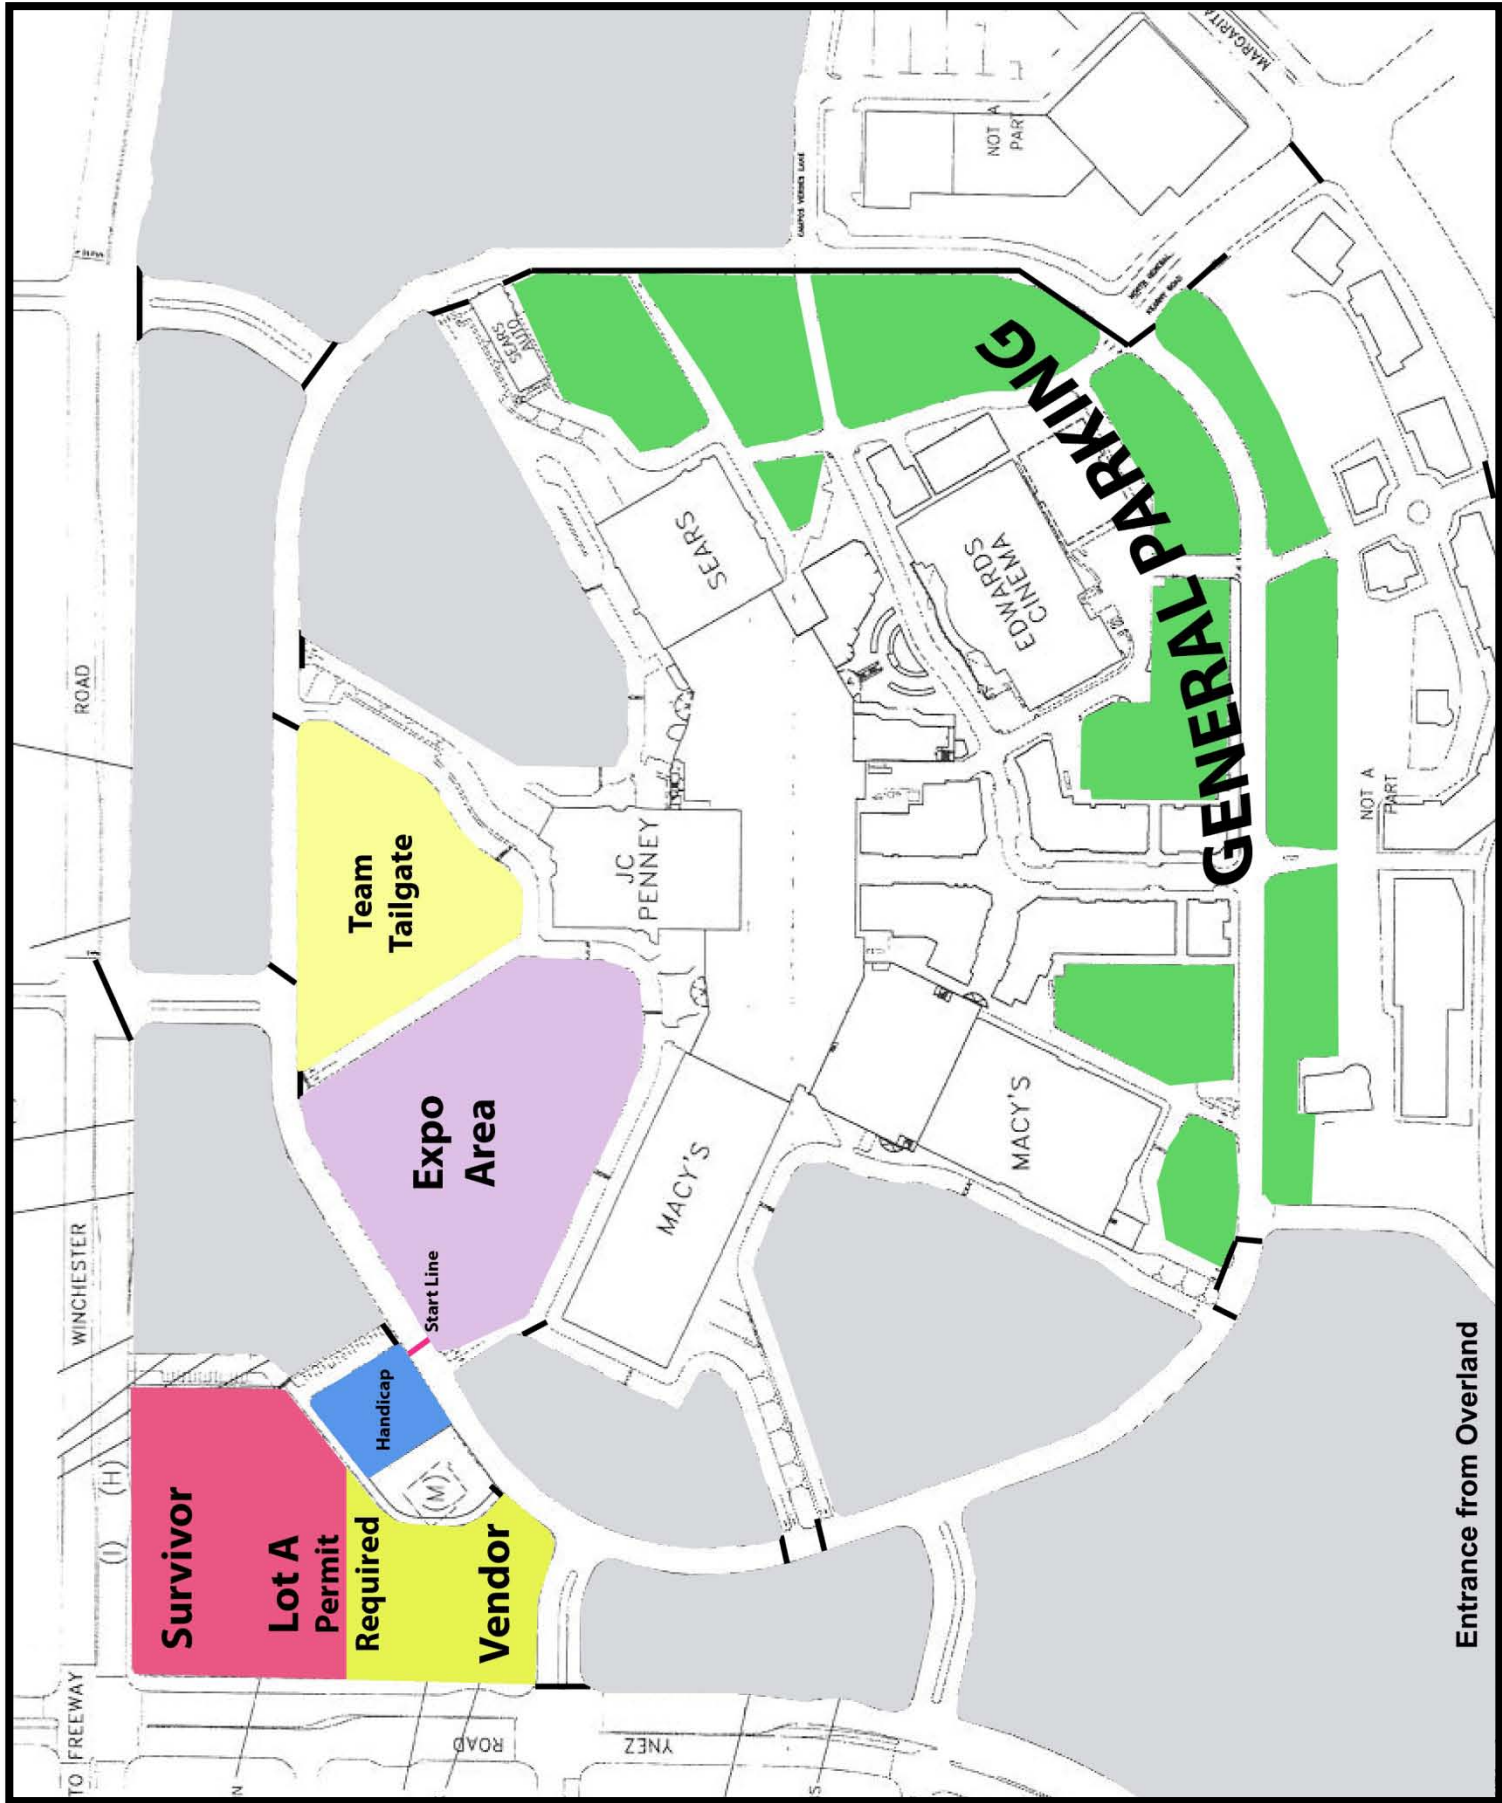

There are designated handicap parking spots throughout the General Parking areas. In addition, there is extremely limited handicap parking in the Survivor parking area. If this area is full when you arrive, you will be redirected to the General Parking area.

TEAM TAILGATE

Teams will not have access to the Tailgate area by vehicle Sunday morning. It is recommended that Teams set-up as much as possible Saturday evening and hand-carry smaller or perishable items into the area Sunday morning. **All team tailgate participants must park in General Parking.**

VENDOR PARKING

Vendors must have a permit to park in reserved vendor parking. Simply having an expo booth does not guarantee reserved parking lot access. You will receive instructions for the lot you will be parking in at the time you receive your permit. **If you do not have a Vendor parking pass you must park in General Parking.**
