Official Sleep in for the Cure® Sponsor

Some choose to run, others plan to walk, but little is said about the thousands of dedicated supporters who hit the snooze button, snore, and toss and turn their way through Race day in support of finding a cure. These people are known as our mighty Sleepers and this is their time to shine! If a pillow is your weapon of choice in the fight against breast cancer, then becoming a Sleep In for the Cure® participant is just right for you!

Gather your fellow Sleepy Heads and join us on September 30 and October 1, at the Renaissance Esmeralda Resort and Spa in Indian Wells, CA for our Inaugural Sleep In for the Cure® Registration Party. Please see our website for more details or call 951.676.7223.

Can't make the events? You can also register online to Sleep In for the Cure® at www.komenie.org!
